

Celebration Of Life

Again this year, the names and dates of death of deceased members will be announced and printed in a special program for this event. We would like to add a picture and comment in the program to better remember her/him as a member of your club and of the Sierra Nevada Region. **Please send a photo or snapshot of each deceased member, his/her obituary and a comment about something this person contributed to the life of your club, your district and/or the region.** (Use the back of this page if more space is needed.) This special program book will be placed in our archives where it will be available for future historical purposes.

Additionally, each club must assign a member to come to the microphone during the service and share a brief anecdote about each deceased member. It is extremely important that we honor these women/men for their service to our organization and the people that they touched.

PLEASE USE A SEPARATE FORM FOR EACH DECEASED MEMBER

Please type or clearly print the name and information. Don't forget to send a photo and please do not send photocopies or photos appearing in newspapers. If you must write on the photo, please do so on the edges.
